

# **A Heart felt Thank You**

To those who give with love and grace,  
A caring heart, a warm embrace.  
Through every challenge, night and day,  
You lift us up in every way.

Your hands bring comfort, calm, and cheer,  
Your kindness shines so bright and clear.

On this special day, we say,  
Thank you, heroes, in every way.  
Happy National Caregivers Day!

The page is decorated with various black and white line drawings of flowers and leaves. In the top left is a large, detailed flower. To its right is a smaller, simpler flower. Further right is a single leaf. In the top right corner is another flower. On the left side, there is a sprig of small leaves. On the right side, there is a sprig of leaves with small berries. In the middle right, there is a large leaf. In the bottom left, there is a sprig of leaves. In the bottom center, there is a flower. In the bottom right, there is a flower with the 'Activity Circle' logo in the corner.

# Angels in Disguise

With gentle hands and hearts so true,  
You give your best in all you do.  
A smile, a touch, a word so kind,  
Brings peace and warmth to heart  
and mind.

For all you do, both big and small,  
We're grateful - thank you most of all!

Happy National Caregivers Day!

# National Caregivers Week The True Champions!

Caregivers, you're one of a kind,  
With patience and heart, you're truly designed.  
From morning to night, you give and you care,  
Finding solutions out of thin air!  
Lost keys? A spill? A shoe gone astray?  
You solve it all without delay.  
Multitasking like a pro,  
With a kind smile and a warm glow.  
So this week, we celebrate you,  
For all the amazing things you do!  
Take a bow, enjoy the cheer,  
You're the real heros all year!

Happy Caregivers Day!
